

# THE ART OF REUSING

SUSTAINABLE MOSAIC ART USING EGGSHELLS (WORKSHOP BY VANESSA)

# OBJECTIVES

- Explore the connection between art and nature
- Understand the importance of reusing and repurposing
- Learn mosaic techniques and design principles

- Hands-on crafting experience
- Encourage ongoing sustainability practices

# THE GOAL

To inspire participants to create beautiful mosaic artwork by repurposing eggshells, while fostering a deeper understanding of sustainability, nature, and the art of reusing materials. Through hands-on activities, discussions, and creative exploration, participants will learn how to transform eggshells into intricate mosaic designs, all while gaining insights into the importance of reducing waste and using sustainable practices.
